ヨーロッパ獣医小動物繁殖学会 (EVSSAR) が今年、優秀な若手研究者に筒井を冠名とした賞を授与する予定です。

Dear EVSSAR Member,

The 18th EVSSAR CONGRESS will be held in Hannover (Germany) on September 11-12 2015.

The Scientific Committee of the 18th EVSSAR Congress invites all veterinarians to submit abstracts for oral and poster presentations (related to clinical and fundamental research, including doctoral thesis, laboratorial trials, retrospective studies, case reports etc.) in small, laboratory, and exotic animal reproduction. All delegates are encouraged to submit abstracts which will be reviewed by the Scientific Committee. Selected abstracts will be presented as short communications. Awards will be given to the best poster and oral presentation; even though scientific studies are preferred, case reports will be considered. This year, due to a generous donation of Dr. T. Tsutsui (J), A “Tsutsui Young Scientist Award” will be granted.
